

Wright County Library Services

Individual Library Card:

The Wright County Library provides books and materials for our patrons in Wright County free of charge. Those residents in Laclede, Texas, Douglas, and Webster counties may also use our libraries free of charge. Anyone outside these areas may have a library card for a nonrefundable fee of \$20 per year. This fee will cover individual cards for all members of the household residing at the same address.

Business Library Card:

The President or Director of an organization may sign up for a Business Card, which enables any member of his staff to check out books in the name of the organization. The President will be responsible for all charges or fines incurred, and the check-out policies are the same as with individual cards.

Homebound Delivery:

The Library is happy to deliver books to home-bound residents who have made a requisition for this service. Contact the library for more information.

Copier:

Each Wright County Library has a copier that is available to the public at a cost of .15 cents per copy, per side copied.

Internet Research Computers:

The Library is pleased to host Public Access Computers at each of its locations which are available for our patrons use without charge.

Computer Printers:

Each Wright County Library has a printer attached to the computers connected to the internet which is available for use by the public at a cost of .15 cents per black and white page printed, regardless of what information is printed and .30 cents per color page printed, regardless of what information is printed.

To ensure you are printing what you wish to print, you should first preview the document in the "File"/"Print Preview" menu before printing.
