CLOSING

Senior *Tod Storie* takes his time in helping turn the gymnasium into a "Winter Wonderland" for Homecoming.

Fourth grader *Megan Dugger* pauses for a moment as she anticipates the next move for Twister on Valentine's Day.

Members of the senior class were surprised by their gifts "on the tree" from their sponsors before Christmas break.

Sophomore *Natalie Farr* shows how she truly feels at the end of a long day in class.

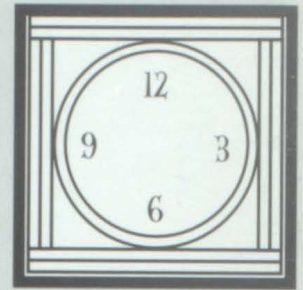

Practice makes perfect for freshman *Kayla Ward* as she plays in the scrimmage. The event was a fundraiser for the basketball teams.

"But coach said you have to cheer for us!" says Vera Telhar, a senior as she points to the Hartville bench.

# T I M E

It starts our clocks, rings the bell, and brings the class to order. Time is an essential part to each day of Hartville Students. From the moment the first car arrives until the last person walks home from practice, each minute of the school day is filled with the wonder of what is to come.

As time winds by during the day, the students can be found in a variety of classes; however, the sight of clock watchers is present in every room. For them, time goes by only too slowly. But for others, the minutes turn into hours, days, weeks and months. Before one can realize it, he or she is a senior.

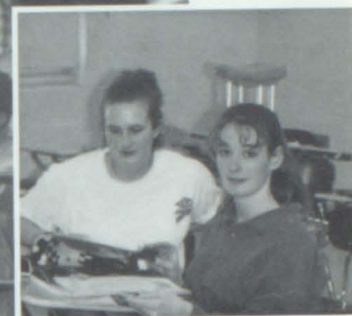

Through all of this, one thing remains:

**Time doesn't stop.**

The Eagle Marching Brigade performs for SMSU's Homecoming parade. The band went undefeated in the marching season.

Showing her Eagle Spirit at the Blue & Gold Tournament, junior *Chrystal Adamson* gives a yell for her team.

The winners of the SADD Halloween dress-up contest pose for a picture. The contest was held during Red Ribbon week in October.

So much for growing old gracefully! Mr. Dixon was honored on his birthday with posters, banners and greetings from all at HHS.

The pommers "freak-out" as they entertain the crowd. The pommers performed at all the boys' home games during the regular season.

... Even the mascot gets into the action at a basketball game. The mascot was just one of many new additions to the 1997-98 season.

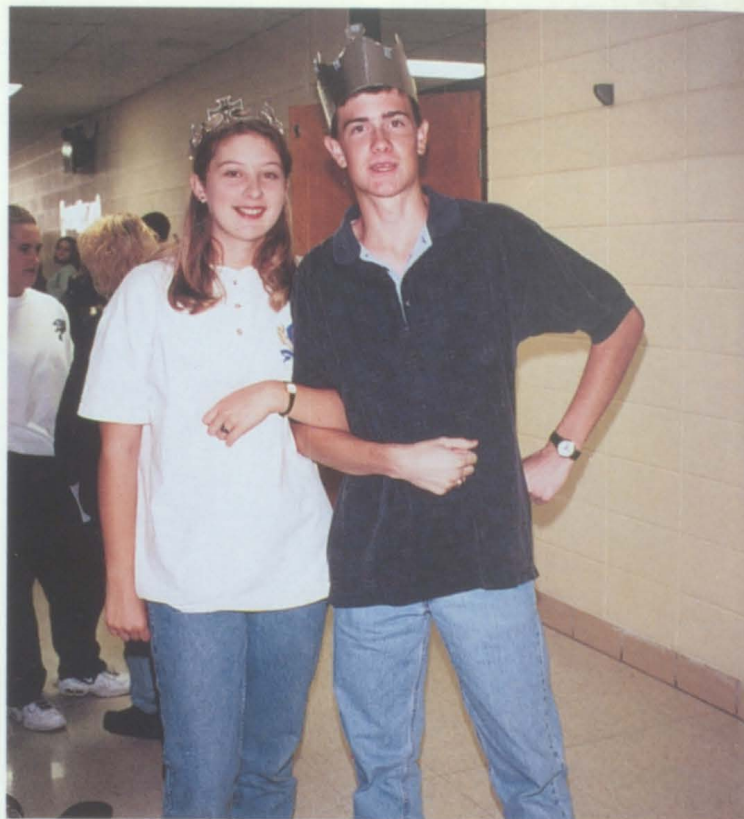

### A moment of silence. .

Many students gather around the flag pole for the annual "See You at the Pole," where prayer is led.

### Royalty for a day. . .

Junior *Diana Stewart* and senior *Jared Shaver* rule the halls for a day.

### Just getting started. . .

Second grader *Selena Couch* starts a fish puzzle on her free time.

### Concentration time. . .

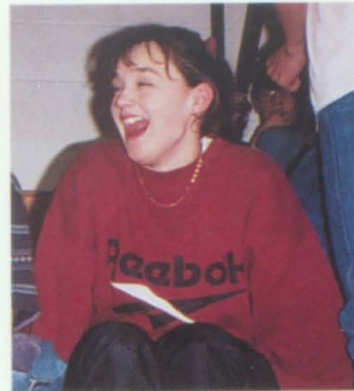

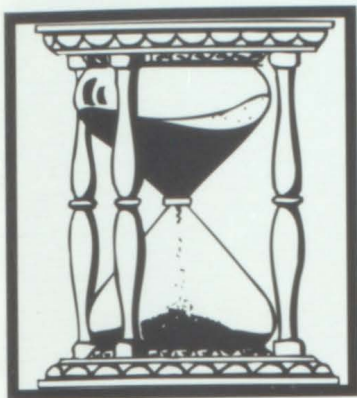

Senior *Daniel Kelsay* plays another one of Mr. Boyer's educational games.

## Graduation

### One Last Reflection:

Brooke Gleason, Tanya Frerichs, Tamara Mitcham, Vera Telhar, and April Harp remember the good times they had while at Hartville High.

Senior Class President *Larry Cryer* looks over his notes before opening the graduation ceremony with his welcome speech.

## My Special Friend

Hollie Hilliard, Rebecca Hughes, Jared Shaver, Whitney Adamson, and Justin Sinning

Because we're friends there is no value that can be placed on our frindship... it cannot be measured. A friendship like ours could never be bought with money... or even promises. To me, it's a treasure in itself.

I'm so thankful for our feelings of closeness... of personal regard and respect.

I'm glad for the experiences we've shared, for the times we've spent together... learning and growing... and then sharing

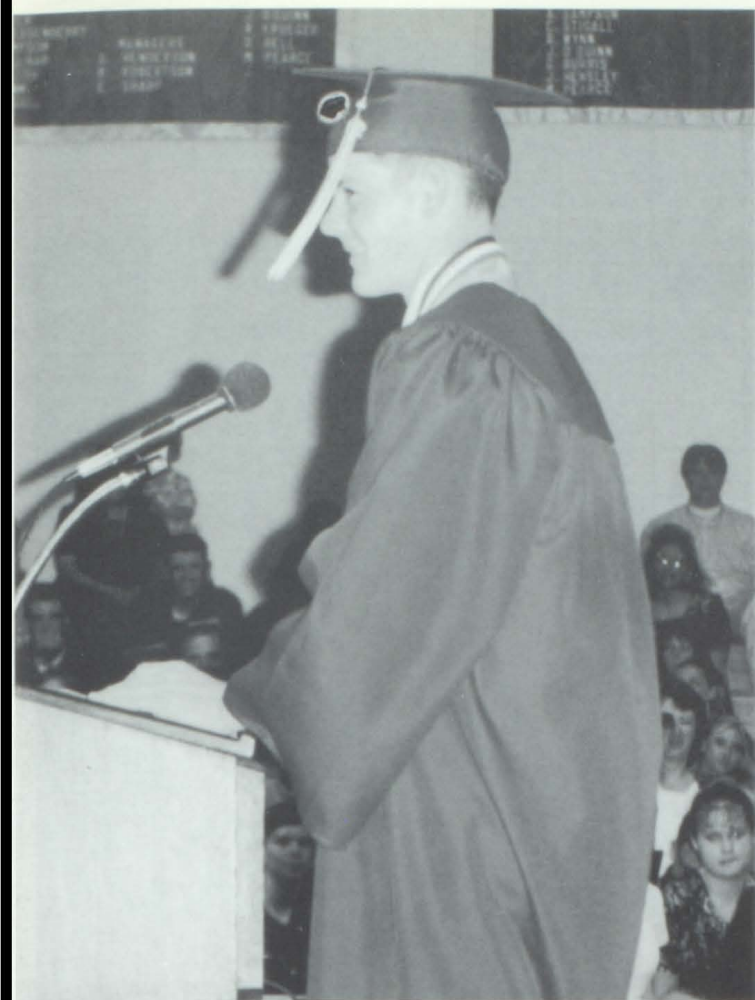

what we've learned with the world.

Our friendship will always be one of the truly special parts of my life. And while I don't say this every day, maybe that's good... Because if I said it

every day, it wouldn't mean as much as it does in moments like this. I'm glad we're friends.

--Larry S. Chengges

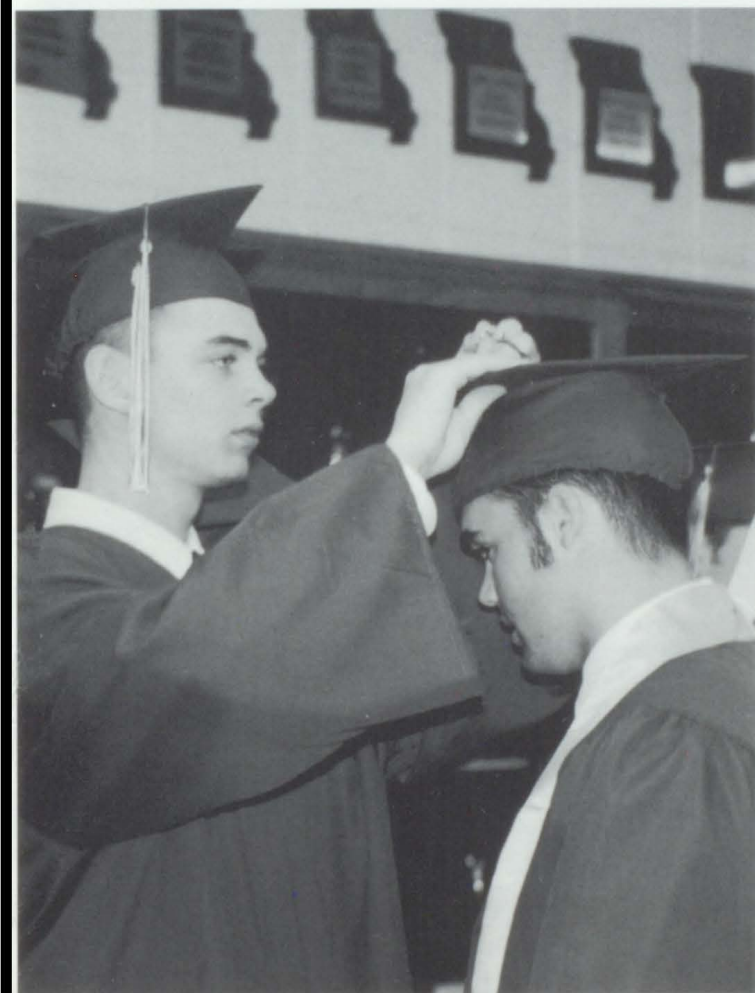

Grant Boyer reminded his classmates that they are among a class of dreamers in his closing address. Following his speech, Grant led the class in the hat toss.

Jennifer Merced flips her tassel to the left as a symbol of her transition from high school student to graduate.

Senior choir members Mary Taylor and Tamara Mitcham were the featured soloists in the choir's performance of "Place in This World" by Michael W. Smith.

In their last, tear-filled performance together, the senior band members played "The Wind Beneath My Wings & The Rose."

Hats off to the class of 1998!!!

Justin Bonnarens helps his classmate, B.J. Smith, make sure his hat and tassel is just right for walking down the graduation aisle.

# One Last TIME

## Senior Trip and Project Graduation

**I Want Lots and Lots of Money:** Seniors *Alana Henderson* and *Whitney Adamson* realize that while money--especially play money--can't buy happiness, it can buy a lot of great prizes!

One can only wonder what *Vera Telahr* is plotting to do to *Jennifer Merced's* food. The seniors went to Planet Hollywood for lunch before sight-seeing.

## The Memories Remain

**Brooke Gleason**

Project graduation was pretty neat; there was a big inflated mountain in the gym.

**Grant Boyer**

The best thing about senior trip was just being together with all of my closest friends for one last time full of excitement.

**Yolanda Stigall**

It's not the best memory--but when I passed out and hit my head on the trash can at McDonald's; I can't believe I had to get stitches!

**Paula Zeller**

Project Graduation gives Hartville High students a fun night together without the worry of alcohol-related accidents occurring.

Daniel Kelsay, Wesley Culver, Grant Boyer, Larry Cryer, Tod Storie, Jared O'Quinn, and Jay Horn anxiously await the moment when their ship comes in. Ahoy, mates!

## Q & A

**Gerri Hensley**

In my spare time I like to spend time with my mom and my sister, but mostly play computer games and do homework.

**Hollie Hilliard**

Well, I guess if the "obvious" is to dance, then I go to socialize with all my friends.

**Natasha Smith**

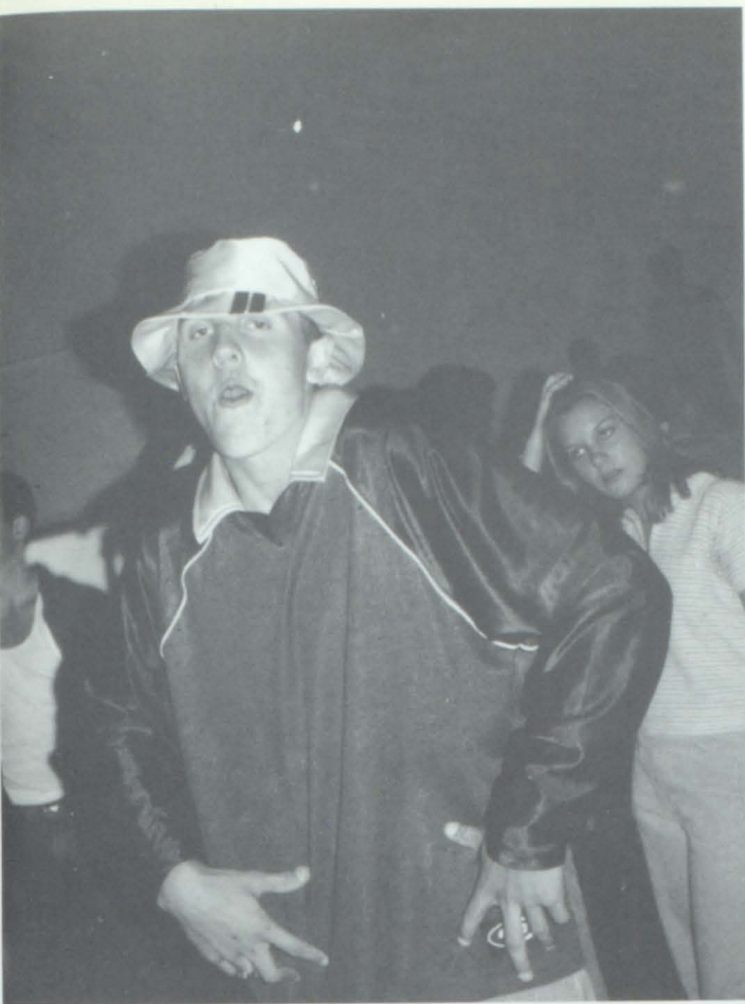

I spend my spare time with my friends and playing basketball.

**Desiree Sutherland**

The dance is the great social gathering of the Hartvillians and the center of the township.

Junior *Kelby Shaver* shows his "groove thing" at a high school dance.

The Kiss... Luke Harris and Crystal Nelson break the stream of hugs and handshakes from the last two years by engaging in a traditional kiss.

## For You

To some Juniors, Prom was not what they had expected; they learned through hardwork and long hours of decorating that Prom is more than an enchanting evening, but a creation made by their own hearts and hands. The '98 Juniors set the mood for a "Perfect Prom".

On April 25th the much awaited evening began. First, couples

walked through bombards of parents, friends, and cascades of picture taking, then headed down a cobble stone river where their names were announced as if they were Royalty. After their entrance most headed directly to the food table that held an exquisite ice sculpture of an eagle. Not only was the food delicious, but dancing added to the

special evening. Every slow song the dance floor was filled with love struck teenager and an occasional faculty. At 10 o'clock the dancing was interrupted when the lights came on and everyone stopped and stared as the hopeful King and Queen candidates made their way down the sparkling river.

Next the retiring King

Grant Boyer and Queen Kelli Dugger made their way down the pebbled pathway as the candidates awaited eagerly with their expectations of who would soon be the new King and Queen. Everybody held their breath as they announced Luke Harris and Crystal Nelson. Then the new King and Queen engaged in their first dance together.

**Hurry, Hurry, Hurry**

Senior *Wes Culver* runs as fast as he can to win the race.

**I'm getting very sleepy.**

Kindergartener *Maggie Arnall* is so tired, that she almost falls asleep during the parade.

Junior Karen Estes excercises her artistic ability.

## Creativity In Action

*Both art and shop encourage students to use their creative side.*

Art involves a way of seeing and thinking about spatial relationships, color, balance, symmetry, and proportion. It teaches students to use their creativity by developing projects such as airbrush, stained glass, mural painting, silk screening, clay, mirror etching, and t-shirt painting. According to the art teacher, Mrs. Camby, the class provides a hands-on type of skill

showing self-expression. There is no right answer in art, however, there are many solutions to design problems. Many students consider art as a type of therapy or stress reliever.

Shop is another class that encourages students to use their creativity to produce a product that they can call their own. This year's industrial art's contest was held

on March 23 in Seymour. Hartville participants received 32 blue ribbons in total as well as the "Best in Woods II" trophy which was received by Jared Shaver.

## HS Band Sets New Standard

### *Band Sets Nine for Nine Record.*

The Hartville High School Band began its marching season with their annual band camp in August. This year's music selection was a combination of 3 songs that complimented the Americana theme. The embodiment of this theme was the addition of a color guard for the first time

in the history of the band. As a result, the Hartville High School Band continued its tradition of success by going 9 for 9 in their marching season.

This year's concert band took a more sentimental approach by dedicating one of their selections, "By Loch and Mountain", to former band

member Abram McAlister, a 1995 graduate of Hartville High School who passed away last summer.

home a greatly deserved I rating. The flag corp was tremendous this year and added a lot of color and beauty to the band.

The runners-up for the Director's Award were Jenna Shaver and Will Hickman. The Director's Choice Club run-

ners-up were Will Vandergrift and Jill Lowther.

The Beginning Band's first performance was at the Christmas Program. They also worked extremely hard to perfect their musical ability for the Spring Concert.

## Driving Tractors to School

*FFA members spend the year creating new traditions.*

This year the Hartville FFA Chapter has been filled with new and exciting ideas. For example, students were allowed to drive their tractors to school during FFA week. Their many events have proven that the members are making a difference through agriculture and our community. Other various events include the

bloodmobile sponsored by the chapter which is held four times a year. The members have been working very hard, reaching many goals. Fruit sales this year totaled an amazing 1,267 items. Sixteen members attended National Convention held in Kansas City. While four attended FFA Camp where they learned

many helpful things to bring back to our chapter. As you can see, FFA members are developing leadership skills and confidence to help our world move forward with direction and purpose. FFA is building the future.

## Science Nears "Purr"-fect

*Animals, Experiments, and Projects Prove Science Is Exciting.*

There's always something exciting going on, whether you're in Science Club or just in a science class. Mr. Boyer's biology I class spends time dissecting frogs and other little creatures, while biology II focuses on dissecting cats. The chemistry classes spend the last quarter working with chemicals.

Mrs. Arnall's classes include physical science and 8th grade science. They spend time studying fossils, the weather and electrical currents.

This year, the officers elected for Science Club were: Grant Boyer, president; Hollie Hilliard, v. president; Kelli Dugger, secretary; Whitney Adamson, treasurer;

and Tod Storie and Beth Schlachter, representatives.

The Science Club had a very good record this year. They won 7 first place honors, 10 second place, 3 third place honors, and 6 special awards at Rolla. At summit conference, they received 20 blue ribbons and 14 red ribbons.

Being a peer helper is a lot more fun than you would think; the kids in the classes we teach really look up to us. I think we have a big influence on them.

The reason I enjoy choir is because it is a good opportunity to express my talent in singing.

--Shellie Parker

Peer helpers lend support and help to fellow students through independent counseling sessions and tutoring. We also relate to the elementary student through the Hi-Step program. I feel that we are a hard working and caring group.

## Driver's Ed., FACS, and FHA... Teaching Skills for Life

*Students learn valuable skills to help them through life.*

Future Homemakers of America is an organization that helps members build skills for life. Its mission is to promote personal growth and leadership development through family and consumer education. FHA is the only in-school student organization with family as its central focus. It has been an inspiration to more than nine million youth since its

founding in 1945.

Family and Consumer Sciences is a valuable class that teaches students about family relations and household management. Classes range from health and nutrition to child development.

Driver's Ed. is also a class that teaches important life skills. Students learn to own and operate an automobile efficiently. They also

learn basic driving techniques as well as the proper actions to take in the case of an emergency.

Both Family and Consumer Sciences and Driver's Ed. are classes that offer students hands-on experience to the everyday situations they will face throughout their lives.

## OPENING: NEW CLUB

*French Club adds a little culture to Hartville.*

French Club was established this year to get the students more involved and interested in foreign languages. The students learned new phrases in French and were given the option of having a pen pal from another country. Those who chose to have a pen pal frequently learned more

French and the different customs and styles of France.

Also to demonstrate the difference in culture, the club learned how to prepare French cuisine. For example, a French breakfast with crepe and sausage was served one morning, and various French recipes were learned.

Through French Club, the students gained knowledge of France that normally is not a part of the French curriculum.

*4 x 2,

better times.*

Math, Physics, and History all involve time. When you take a math class, you can learn how to calculate the amount of time in an equation. Time is a variable in Physics, and History involves everything that has happened to the world, the nation, and our state before the present time.

Math classes like Geometry involve shapes while the Algebra classes and Trigonometry use numbers, variables, and word problems. What better way to relate to time than with numbers.

Physics is a high school course taken through the University of Missouri. The

work in Physics is about the theories and principles of time.

History reminds us of the golden ages and bad decisions and helps us know what to do in the future.

These classes teach us about many different things, but they all involve time.

## Contradicting Names Result In Shared Values

*SADD and Pep Club encourage students to support each other.*

SADD is an organization designed to inform and encourage students not to do drugs. It has sponsored various activities in order to demonstrate drug awareness. Some of the activities included a balloon release, Red Ribbon Week, and SADD Fun Night. The club consists of 77 mem-

bers who promise to be responsible and not take drugs or drink. By working together through organizations such as SADD, we can keep Hartville a drug free community.

Pep Club is also an organization that emboldens students to support each other. Although the members of Pep

Club do not influence the basketball organization directly, they are what make the games come alive. By cheering throughout the basketball season, the members encourage the players to do their best to make Hartville's Basketball teams #1.

## Flashback

*Big ideas equal  
big bucks for  
the yearbook  
staff.*

With only three new mem-  
bers joining this year, the year-  
book staff seemed to be doing  
well. The staff began the school  
year with bigger and better  
ideas to improve on last year's  
book, including an amazing  
theme. However, the staff also  
realized that their big ideas  
would bring about a big cost.

For this reason, they came up  
with many inventive market-  
ing ideas, such as selling \$6,000  
in advertisements and selling  
jewelry.

Joyfully, the staff met their  
goals in making money. But  
there was still the matter of  
getting pages completed be-  
fore the deadline to contend

with. Starting this task was  
rough, but the staff pulled  
through to put together an-  
other great edition.

The only thing left to do is  
have a flashback of 1998.

## Conference, Contest Prove Rewarding

*Students learn the true meaning of the business world.*

The work for FBLA began before school started, when six of its officers attended the State Leadership Training Conference in Columbia, MO. At the conference, officers learned how to become more open to new ideas and meeting new people. These officers returned with greater opportunities for

the chapter to become involved.

As the school year progressed, the chapter organized a bike-a-thon for St. Jude's. The chapter raised \$1,710.00, and received an appreciative letter and plaque for their efforts.

When contest season began, the chapter excelled in new

events. Students arrived before school and stayed late after school to prepare for their respective events. It would seem that their hard work was well rewarded with their first, second, third, and sixth place rankings in various areas.

## Learning to Work With People

*Classes for the future of the working class of people.*

Physical Education and Vocational Technical School are good sources of education. They not only teach you how to score a basket or how to do a job, but they also teach you teamwork. The classes teach you a skill that you will always need; how to work with people. In these classes the teachers

help students learn success in all aspects. It's not only important to know about jobs and recreation, but to learn to achieve the greatest life. Both will help one to be calm in harsh situations, be kind to people, and to keep a good attitude about things. In time these students will progress

into mature adults and will owe it to experiences in Physical Education and Vocational Technical School.

## Teacher's Aides help out

*Teacher's aides make teacher's jobs a little easier.*

Teacher's Aides help the teacher in many ways. Some things one might do while being a T.A. are normal things like make copies, or grade papers; but there are many other things. For instance, if someone was a T.A. for Mrs. Michaelis, he or she might check proofs

for the yearbook, or if one was a T.A. for a coach, they might get to join in on a P.E. game. Most students have fun being T.A.s because it lets them have an hour to relax; while they are also saving teachers time by doing small jobs for them.

## S.T.A.N.D.

*Christie Hampton*

THIS YEAR THERE HAVE BEEN A FEW NEW ADDITIONAL CLUBS. ONE OF THE FEW IS S.T.A.N.D. (STUDENTS TAKING A NEW DIRECTION). THIS CLUB ALLOWS THOSE STUDENTS WHO ARE ACTIVE IN THEIR CHURCHES TO VOLUNTARILY MEET WITH OTHER STUDENTS OF DIFFERENT DENOMINATIONS. WHEN THIS CLUB BEGAN MEMBERS DECIDED THAT THERE WOULD BE NO ONE DENIED OF ATTENDING MEETINGS. ALL STUDENTS ARE WELCOME TO COME AND LISTEN IN ON THE ONCE A MONTH MEETINGS. TO ADHERE TO LAW, ALL MEETINGS ARE HELD BEFORE SCHOOL HOURS. EACH CHURCH REPRESENTED HAS HAD A PERSON TO SPEAK OR SHARE IN A BIBLE DEVOTION. ALSO THE GROUP SANG SONGS A FEW TIMES AT THEIR MEETINGS. ANYONE INTERESTED IS ENCOURAGED TO COME AND JOIN IN THE FUTURE.

### BAND BOOSTERS

*Mathew Herrman*

The Band Boosters were formed during the 1994-95 school year as the band prepared for marching in the Kentucky Derby Festival. This group is made up of parents and community members who are interested in supporting the band's increase of activities and themotivation of its members. Some of their ideas have been the annual Sweetheart Banquet and the addition of banners in the bandroom highlighting the the band's accomplishments over the last three years.

### T.L.C.

*Mathew Herrman*

**Although it has only been around for a little more than three years, the Teaching, Learning, and Caring group(TLC) has done a lot to promote academics and activities in the elementary. Among their recent activities are a shcool carnival and the student of the month awards. In addition, the group promoted the design and sales of tee-shirts for the elementary schools.**

### community-2000

*Mathew Herrman*

COMMUNITY-2000 IS A GROUP THAT WAS FORMED THIS YEAR TO ENCOURAGE COMMUNITY MEMBERS TO BECOME INVOLVED IN THE SCHOOL AND THE LIVES OF ITS STUDENTS. EACH MONTH, THE VOLUNTEER GROUP HOLDS A MEETING TO DISCUSS AND DEVELOP ACTIVITIES TO PROMOTE PUBLIC AWARENESS. INCLUDED IN THE AWARENESS CAMPAIGNS ARE DRUGS AND ALCOHOL AS WELL AS HYGENE AND HEALTH. THE METHODS USED TO PROMOTE THESE ACTIVITIES ARE INTERESTING AS WELL AS INFORMATIVE, SUCH A S DANCES, PROGRAMS, AND ASSEMBLIES.

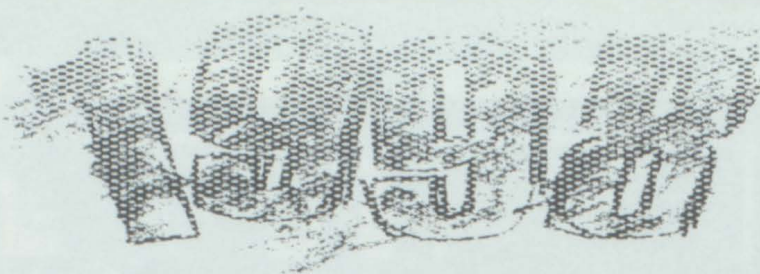

### PARENTS AS TEACHERS

THE PARENTS AS TEACHERS PROGRAM IS VOLUNTARY--AND FREE. THE MISSION OF THE PROGRAM IS TO HELP PARENTS UNDERSTAND MORE ABOUT HOW THEIR CHILD GROWS AND LEARNS.

CHILDREN LEARN MORE DURING THE PRESCHOOL YEARS THAN AT ANY OTHER TIME IN LIFE. PARENTS SERVE A VERY IMPORTANT ROLE AS THEIR CHILD'S FIRST TEACHER. THE HARTVILLE PARENTS AS TEACHERS PROGRAM IS AVAILABLE TO ALL FAMILIES RESIDING WITHIN THE HARTVILLE SCHOOL DISTRICT BEGINNING DURING PREGNANCY AND CONTINUING UNTIL THE CHILD ENTERS KINDERGARTEN.

SPORTS

## Blue & Gold

## Tournament of Champions

The Tournament of Champions was a new experience for the Hartville Boys Basketball team. Teams from New York, Florida, and Texas participated in this tournament. That left Hartville playing with the "big dogs;" however, the teams showed great respect when Hartville overcame the "not so mighty" Mariners, and showed great endeavors against New York's Christ the King. At the end of the tournament Hartville placed 4th and Kyle Mays left with the Father John Savage Award, a very high honor for both the team and Kyle. All in all Hartville showed great courage and lots of heart as they played in the Tournament of Champions.

*Crystal Nelson*

## BOYS RETURN TO STATE

Participating in the State basketball tournament for the second time in a row was a real accomplishment for the Hartville Eagles. Determined to beat their last year's place, the team headed to Columbia with high hopes. Hartville is known not only for its success in basketball but also for the support its community shows. When it comes

to basketball many people swarm to the state finals. Hotels were booked and a large percentage of the crowd that attended were Hartvillians. The first round game to be played was between Pembroke Hill and Hartville. Even though the Hartville team showed great effort they couldn't get past Pembroke. After the first night the boys had

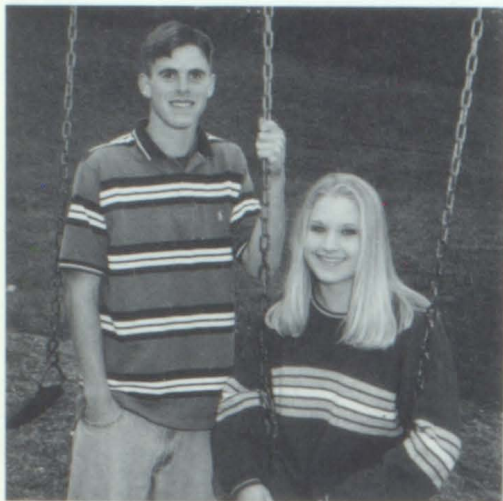

a tough decision to make; let the loss affect their future playing in the tournament or secure third and play a great game. The boys chose to play well and be proud of their accomplishments. When the tournament was over Hartville had placed third and the community couldn't have showed more support.

## March of Dimes

Although the Hartville FBLA chapter has only been helping the March of Dimes campaign for three years, the participation from the student body has raised over \$4,000.

The group uses many different fundraisers, including badges and contests between classrooms to raise the most money. This year's winning elementary class

received a pizza party.

In the high school penny drive, all students had a delayed classtime for teachers to count money.

## Hartville Adds Dual-Enrollment Course

*Mathew Herrman*

Upon receiving the results of an English placement exam, 19 Hartville High seniors were the first to be enrolled in the new College Preparatory/English 111 course. The course is offered through Southwest Missouri State University--West Plains campus in various high schools within the area.

The course is provided to give high school students

the opportunity to receive college credit. The course is a transferrable credit, providing students pass an examination similar to the one for enrollment.

According to Mrs. Bobbie Ann Dryer, the teacher of the course, the first year was very successful. However, she points out that there will most likely be some changes for next year's students.

## french club enriches students' culture

Although it has been discussed before, Mrs. Ramona Wayne began a French Club this year. With the help of students that are enrolled in, or have taken, at least French I, Mrs. Wayne comprised a group of eager students. Activities this year included monthly meeting, electing officers, and a birthday wish for each member.

# Spring Concerts

The instrumental spring concert this year was monumental. The evening was dedicated to the memory of Abram John McAlister.

Students received awards for their achievements throughout the year, including contests and marching competitions. Also, high school lettermen were recognized.

Preceding the awards ceremony, the junior high band per-

formed their contest selections. Following the junior high, the beginning band performed. After the awards, the high school band performed thier two contest selections, dedicated to the memory

of Abram.

The choral concert consisted of four district music festival soloists and one girl's sextet, as well as the choir's performance of their contest pieces.

Following the awards presentation and the performances, those in attendance were invited to view the art and industrial art projects in the old gymnasium.

To Brooke From Mom  
 The first day of Kindergarten  
 I kept walking by your door  
 To look in on my little girl  
 But Mrs. Herrman smiled, and  
 Flagged me on by.  
 I knew you'd be ok, but I went  
 home and I cried.  
 Now here I am again in  
 tears  
 Realizing it is already your  
 Senior year.  
 I am so very proud  
 of you, and your Senior Class!  
 You've all made memories,  
 Time will not let pass.

God Bless You, Brookie  
 With all our love  
 Mom, Dave, Ted,  
 Mellisa & Brian

*I remember when you were my little girl. As much a part of me as my right arm. My every breath and step held you in mind. Then suddenly, one morning, you were grown. I was not finished with you. But we must love our children enough to let them go. But in my heart you will always be--- My Little Girl.*

*Nelli,  
Keep your standards high. We love you so much.*

*Mom, Dad, & Jamie*

Mindy Jo,

 make your dreams come true,  
 has taken you far.  
 So keep your head up and keep  
 looking for the next dream  
 come true.  
 We wish you nothing but the best  
 in life.  
 Our love is always with you.  
 We'll Love You  
 Always,
