Enjoying the night, junior *Crystal Jones* plays ping - pong against an opponent.

While senior *Katie Davis* remains hypnotized, , senior *John Storie* moves back and forth to relieve the burn that he has on his butt.

Secretaries and Administration

What, in your opinion, is the best aspect about the Hartville school system and why?

"In my opinion, the best aspect of the Hartville R-II school system is the people. School board members, administrators, teachers, students, parents, support staff and community citizens are all dedicated to providing quality education for our children in the best possible learning environment. Remarkably, even when we are not of like mind, our consideration stays focused on the best interests of our students."

--Sherry Huffman

"Hartville school system has been built on sound family oriented principles. These principles run deep into the community, which in turn maintain that local needs are met by the local school."

What pleases you most about the youth of our country, or what makes you proud that they will be the future leaders of the United States, and why?

--Jane Kinser

"I am pleased with the serious approach that many of our youth take toward life. They are quick to analyze actions that aren't sincere and are not afraid to stand up for their beliefs. Many are also extremely compassionate. As an adult, I find that sometimes their attitudes put me to shame!"

"I think what pleases me most about the youth of our country is their ability to adapt to change and rise to the occasion when called upon. With our ever-changing society and world, it is very important that these future leaders can continue to grow and carry on through adversity."

What is your favorite memorable moment about softball, and why?

Weathering the Storm

Several members of the Hartville R-II Schools Faculty have endured tribulations with their health during the 2002 - 2003 school year. Each of these individuals has contracted a deadly form of a cancer, but despite the circumstances, they have all kept afloat through the storm and continued to fulfill his or her duties, as usual.

Optimistic Perseverance

It is always a tragedy to lose a student in a vehicle accident, but it's a heartfelt blessing when one overcomes injuries and sets goals for recovery. Two students attending Hartville schools have taken hold of optimistic perseverance in the endeavor to recover life as it was.

PTO Spring Carnival

Each year the PTO does many things without recognition. They are a vital part in raising money for the school and planning activities for students. One such annual event is the Spring Carnival. Each year the PTO plans a night of safe and family fun, while at the same time raising money. The year, their fundraisers allowed them to purchase a new sign for the school. It allows to announce upcoming events in a manner that is hard to miss. Thank you, PTO, for all of your hard work.

For Youth Involvement

By: Meagan Rippee

Once again several Hartville teens showed their commitment to the community as for the second year they formed their own volunteer youth group. For Youth Involvement, better known as F.Y.I., is comprised of high school students grades 10 - 12 who volunteer their time to help make Hartville a better place for us all. This year the group had extensive involvement in preparing for and aiding with the community participation in the Missouri Community Betterment Competition. Several members then had the opportunity to attend the state conference where Hartville received the first place award in its population category. F.Y.I. also planned and operated a haunted house for Halloween to serve as a fundraiser, as well as provide a safe and fun activity for local youth. While the group is still struggling through the early stages, it hopes to grow stronger and continue to make Hartville the best community in Missouri.

War Blurps

Students Speak Out

By: Casey Freeman

"War is never a good thing and should always be a last resort, but everyone has rights. When people's rights are violated, action must be taken. I think that we did a very good thing for the Iraqi people by removing Saddam."
-- Jonathan Baker

"Our nation was threatened. It is our duty to uphold our right to freedom and help those suppressed."
-- Natasha Gray and Angela Aumand

"The war in Iraq was an inevitable occurrence. One day, Saddam Hussein would have unleashed his arsenal of deadly weapons on the world. It was better to strike first before any unnecessary casualties were lost."
-- Jacob Jones

"If Americans were to deny their call to duty to protect the people of the world, we would be going against everything we have stood for up until this moment in time. If we have the ability to rid the world of an evil and the threat of terror, we should exercise our abilities. Our president, though he seems ignorant, has had one of the hardest presidencies ever and handled it better than anyone thought possible."
-- John Storie

Mr. Miller
"I believe that a better measure of your accomplishments is not how often or how high you've stood on occasions, but how often you've stooped down or over to help pull others to a higher level."

"Knowing that you have made a difference in many lives is the reward that teachers receive. It gives me great pleasure to see students I have had have a successful future."

Mrs. Quessenberry

Mrs. Cope
"My teaching career has been very rewarding. Hartville Elementary has been a great place for me to work. Upon retirement, I plan to spend more time reading, traveling, and being with family and friends."

The Hartville School System has a strong foundation based on experienced and caring teachers who provide support to all students. This year we are losing six of those very special teachers and nearly 160 years of combined experience. Thank you to all of you who have dedicated your lives to helping the students of Hartville and Grovespring Schools.

"As I look back over my thirty years of teaching, it serves as a reminder that I often have made to my students: High school is only four years of your life; make the best of it."

Mrs. Nelson

Mrs. Herrman
"Teaching has been a great career for the past 35 years! Yes, there have been some bad times, but if you really love children, there is no better career...I can't miss this opportunity to say that it has been very rewarding to teach with a former student, Mrs. Coy, for the past eighteen years!"

"My teaching career has been a great journey. I have tried to be fair, and I have had a great time. I hope my students have had as much fun as I have through the years. Also, I have had the support of a great community and staff."
Mrs. Russell

By: Erin Bax

"IF YOU PLAN ON DRINKING TEA FROM THE CAFETERIA, PLEASE BRING IN SOME TEA BAGS ONCE IN AWHILE TO HELP THE COOKS."

"If you have any information concerning a missing purple retainer, please contact Annette."

"All students need to do a better job of cleaning up after yourself. If you continue to leave trash in places it does not belong, such as the gym, hallway or locker, chip and soda sales will stop for a while."

"A bat was spotted in the building this weekend and may still be here."

"High school students and teachers: Our efforts have been thwarted. The switch monster has been joined by the no-show switch conspiracy. The new switches are missing in shipping limbo land."

"IF ANY STUDENT (THIS INCLUDES NEW STUDENTS) STILL DOESN'T HAVE A CARD, HE OR SHE NEEDS TO SEE BONNIE THIS WEEK. IF THERE ARE ANY NEW STUDENTS WHO DON'T HAVE A CARD PLEASE SEE BONNIE THIS WEEK ALSO. BY MONDAY, EVERYONE SHOULD HAVE A CARD. THANKS, BONNIE."

Spring Concert

By: Jack Wang

The senior band members present Mrs. Dixon with sentimental gifts that each represent a memory from the past nine years.

Seventh grader *Brittany Lander* smiles at the show of love and support from her classmates *Brittany Percival* and *Jeni Dixon*, as they present her with a corsage and a poem. The Junior High band dedicated a song to her during the concert.

It's like downtown New Orleans! This year, the Spring concert was graced with a Dixieland Jazz Ensemble.

To Our Beth:
 "Angels don't fly. They just
 walk away one step at a time."

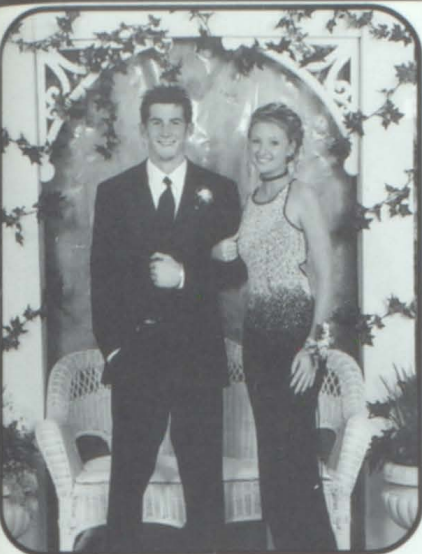

You've walked away from
 babyhood, from going to the babysitter, from elemen-
 tary school, and now you're getting ready to walk away
 from high school and into college and adulthood. With
 every step, you've left a memory and collected more
 fans. All of us, your fans, are very proud of how
 you've accomplished the goals you set for yourself and
 especially proud of the stand you've taken for Christ.

May you always be an angel!

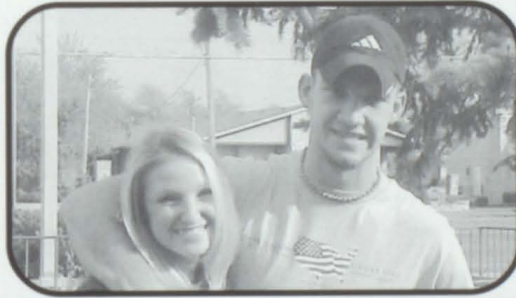

"Listen to advice and accept instruction, and in the end
 you will be wise. Many are the plans in a man's heart,
 but it is the Lord's purpose that prevails."

Proverbs 19:20 - 21 NIV

Shawna:
We are very proud of you. It's hard to believe you've grown up so fast. You've become a beautiful young woman inside and out. Remember all your dreams can come true if you believe and work towards them. We love you and will be behind you in everything you do.
Love You Lots, Mom and Dad
Congratulations Pudder Butt!
Love, Tasha

Tracy,

There will always be dreams grander or humbler than your own, but there will never be a dream exactly like your own, for you are unique and more wondrous than you know. We are very proud of you and may God always bless you!

Love,

Mom, Dad, and Jessica

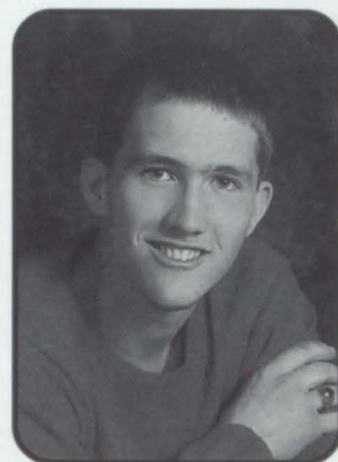

Congratulations, Jenna!

We are very proud of you and your accomplishments. Keep up the great work!

We Love You!

Mom, Dad, and Jared

Congratulations, Dale, for the accomplishments you have made thus far. There are many more challenges awaiting you as life goes on. With God's blessings, you will accomplish them all. Follow his directions, and you will never go wrong.

*We Love You,
Dad, Mom, Iris,
LaDonna and Marty*

Christ Jesus as Lord, continue to
live in Him, rooted and built up
in Him, strengthened in the faith
as you were taught."
Colossians 2 : 6 - 7*

CONGRATULATIONS, BRAD!
YOU HAVE MADE US VERY
PROUD, WHILE WATCHING YOU
MATURE INTO A VERY FINE
CHRISTIAN YOUNG MAN. AS
YOU WORK TOWARD YOUR
FUTURE, ALWAYS PUT GOD
FIRST, KEEP SMILING, AND
TAKE ONE DAY AT A TIME, AND
YOUR LIFE WILL BE FULL OF
BLESSINGS AND HAPPINESS.

let anything hold you back.
We are proud of all your ac-
complishments and believe
you can do anything you put

Dear Jennifer,
 Congratulations! You have grown
 into a beautiful young lady. We are
 very proud of you. Look to God for
 guidance, and you will always be
 on the right path.

Love,
 Dad, Mom, Tracy,
 Kristina, Cindy,
 Travis, and Hunter

Andrea,

This is just the beginning of your dreams. You've worked hard! Don't ever let go of them. You have a beautiful smile and a great personality. Keep your feet on solid ground and always stand strong in what you believe in. We've been through lots of valleys, but we've climbed lots of mountains. It's made us closer as a family and stronger in our faith. We owe everything we have to God! He has gotten us through a lot of rough times. I've always depended on all of you more than you will know. Your brother and sisters have always been pretty tough on you, but only because they love you and feel like they should always watch out for you. It's hard for me to turn loose and let you start your flight. Remember, when you stumble, God is always on your side. I'm always close when you need to talk; I'm never far away. You'll always be my baby girl; your "dreams" aren't far away.

We Love You!

Mom, Jim, Doug, Amber, Kerrie, Brian, and Kaylee

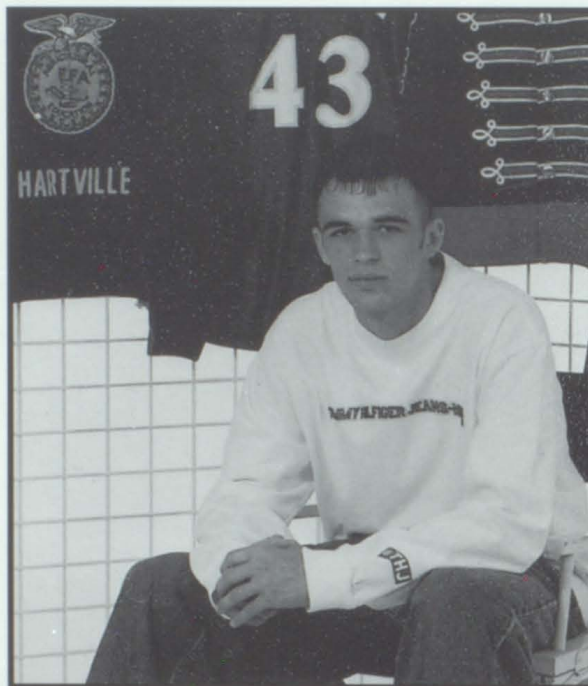

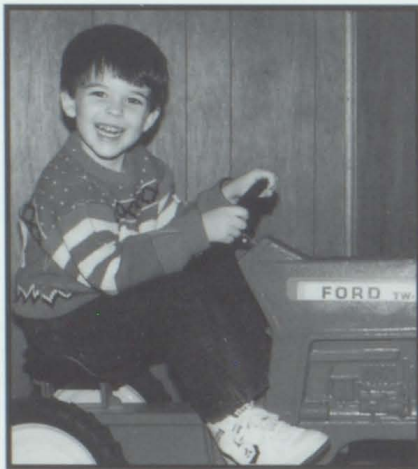

Dana,
No one else has ever felt more pride and
love for a daughter than what I feel for
you.
We Love You,

"And we know that in all things God works for the good of those who love him. If God is for us, who can be against us?"

Daniel,
We love you very much and are very proud of you.
God Bless you in all you do.
Love,
Dad, Mom, and Christine

God lent you to us for a little while. It seemed like your life was really beginning; you were graduating high school, choosing a college, and planning your future. But it ended on Earth for you on December 11, 2002. God said, Bridget I have much bigger plans for you, and took you home. Bridget, we will never forget you. We love you so much. We have all our memories of you and we will never forget your first tooth, first steps, first day at kindergarten when you had butterflies, but did not cry, the first time you went to the movies and held a boy's hand, your first kiss, and your first broken heart. You thought you would never love again. The day you got your driver's license you jumped up and down and had to take us all for a ride. A big piece of our hearts is gone. We all love and miss you so very much. We can't wait until we can be together again. We love you forever and always will.

Mom, Dad, Brandy, Brittany, Grandpa and Grandma Blattel, Aunt Angie and Jerry and kids, and Uncle Billy and Cassie and kids

The time has come for you to unfold your wings and take flight.
Keep your curiosity and sense of wonder, for they are priceless.
Put your faith in God's hands, for he will never leave nor forsake you.
"Don't miss the diamonds along the way, because life is more than just a
read through."

Our love goes with you throughout your life.

Mom, Dad, Alicia, Noah, Grandma and Grandpa Taylor, and Grandma and Grandpa Jones

to my dear, sweet meagan -
our one and only...daughter...sister.
you know what's in our hearts...
as we will always be in yours -
in your heart and your mind,
we'll stay with you for all of time.

love -

2002 - 2003 Yearbook Staff:

To Kristy and Casey: With the end of the year drawing near, and deadlines becoming ever more stressful, I let my chance slip by to thank you for all the help you provided with senior ads and the index. Had it not been for your gracious volunteering, I would have ended up finishing it all myself. You were both saviors to me. And to the rest of the you, although I may have complained a lot about silly little things, do realize that I am thankful for having such a supportive staff, team, and most of all, friend in all of you. It truly kept me from going insane during a busy time of year for me. Never forget the lessons learned and mistakes made. No matter what, they will make a better person out of you. Thank you for all the good times, and I am sorry to see it come to an end.

In Loving Memory

Bridget Sue Lander

February 4, 1985 - December 11, 2002

Over this past year, our country has seen many trials and hardships, but we have also learned that in order to overcome these obstacles, we must work as a team and help each other in times of need. From the beginning of a new war, to tragedy in the skies, to the fury of nature, Americans have remained not only family, but friends, as well. As more inevitable occurrences come our way, we will not only succeed to victory, but also walk away as better, stronger people. Despite what may lie ahead, no matter what we will always stand united as the **"Stars and Stripes: FOREVER."**

—2002 - 2003 Editor, Senior Alicia Cervantes

The 2002 - 2003 Yearbook has a patriotic theme and the title "Stars and Stripes: FOREVER." The Hartville High School Yearbook Staff would like to thank the following people for their support and assistance in the success and creation of this year's book. We couldn't have done it without any of you.

Our advisor, Angela Michaelis, Steve Michaelis, Annette Culver, Joan Meigs, Kristen Ellerbee, Tom Sheilds, Jeff Jasper, Doug Baker, Scott Keith, Kathy Claxton, Paulette Stewart, Cathy Henderson, Sherry Huffman, Linda McClanahan, John Link, Connie's Portraits, Lifetouch Studios, school board members, community supporters, advertisers, staff members' parents, and all teachers.

We hope to have included everyone, but if anyone was left out, please accept our deepest apologies and know that we appreciate all of your help. To Mrs. Wilson, we wish you the best of luck with the production of next year's yearbook. And to Mrs. Michaelis, although we are sad to see you leave, we all know that everything happens for a reason. We are thankful for the last year we have spent with you, some of us even more. I, personally, would like to thank you for the positive and uplifting impact you have had on my life. You have not only been an excellent teacher, but a friend and confidant as well. Never forget what a blessing you are to your students, and most of all, never let yourself be discouraged by anyone. Thank you for everything, and always remember how much you mean to me.
